### **Forty Melekeok Students** *Visit US Embassy—Koror*

On July 6<sup>th</sup>, 2012 (Friday) about forty (40) elementary students along with their chaperones visited the US Embassy in Ordomei, Airai. The student group that visited comprised of children from Ngchesar, Melekeok and Ngiwal as these schools have recently been merged into One East-Coast Elementary School.

Upon their arrival, they each went through the standard security screening in the front gate where they each got screened and received a brief lesson on the policies and regulations within a US Embassy compound. Afterwards, they were divided into two groups and were taken on their respective tours which alternated accordingly with Embassy staff assistance. Chargé d'affaires—Richard McCrensky conducted a rotation of lessons for the children as part of the tour.

To conclude the tour, the Chargé d'affaires hosted treats and refreshments for the students and their chaperones where one of the students gave a short prayer before eating began. When asked what their favorite part of the tour was, one of the students answered, "Eating my cookies at the summerhouse outback."
